MESSAGE FROM THE PRESIDENT

Over the past year, our community has endured challenging and difficult times. We have learned to not take anything for granted like coming together as a community for the Kirkton Fall Fair.

Although the fair is going to look very different this year, it was important for us to offer some events to keep the community spirit alive! With rapid changes and uncertainty of what September will look like it is hard to know exactly what the fair will include. Right now, we are going to offer a scaled back version of exhibit entries. We are also going to bring back the friendly lawn display competition. We are exploring the ideas of a community scavenger hunt and virtual pig races and we are hopeful to also have a parade Saturday morning. The safety of our community, volunteers and members is the most important when making all of these decisions.

I would like to send out a huge thank you to all the board members and volunteers who help make the Kirkton Fair a great success year after year. Everyone's hard work and dedication is greatly appreciated and we wouldn't be able to do it without each and every one of you!

I absolutely love the Kirkton Fair! I have been coming to it ever since I was little. I love seeing how the fair has grown and changed over the years, but what I love most is seeing how it brings our community together. I know that we will get through this pandemic and be back better than ever. In the meantime, get crafting, quilting, planting and growing to show off your creations at the 2021 Kirkton Fall Fair - Connecting our Community
